On July 20, 2011 from 1:00 – 2:00 PM, Grants.gov will broadcast its Quarterly Stakeholder Webcast. The focus of discussion will be on Grant Fraud Prevention. Representatives from offices of inspectors general for the Department of Health and Human Services, and the Department of Justice will discuss various aspects of grant fraud and specific measures that grantees can take to aid them in the prevention or early detection of grant fraud issues. Please join us for this lively session that is guaranteed to help grantees improve their operations and raise awareness of common fraud issues.
